GLAZE - Conversations in Clay and Paint **July 6 - 29, 2018**

Ceramic artist Pierre Bounaud and painter Kathleen Kane-Murrell merge their artistic visions into a collaborative exhibit. Through their work, the artists explore surface development by building layers of colors and texture within the constraints of their own medium. Familiar patterns emerge crossing from clay to paint. Come see their conversation!

Important Dates

Reception: Saturday, July 7, 6 - 9 PM
